

*Interview Summary Comments*

Attorney, Jacques Etkowicz indicated that Figures 1 and 2 of the application showed switching between two (2) home agents on the same network, but the prior art used in the prosecution did not show the switching between home agents on the same network. The attorney also stated that the claim will be amended, and this limitation will be added to the claim with support for this limitation located on pages 15 through 18 of the specification. Further, at attorney's request, same was told that with this new limitation added to the claim, additional searching would be required.
